Rupert,

As requested, please find attached the isotopic data we have collected that are associated with the [Ex. 6 - Personal Privacy] water supply – the samples are labeled according to the [Ex. 6 - Personal Privacy] Tax Map ID Number. To-date, we have collected two isotopic samples from the water supply – one on 10/31/11 analyzed by GeoMark and one on 03/14/12 analyzed by Isotech. (Note that we did not collect an isotopic sample during the split sampling event with the EPA Team on 01/31/12.) Let me know if you have any questions.

Thanks,  
John
